

Goals

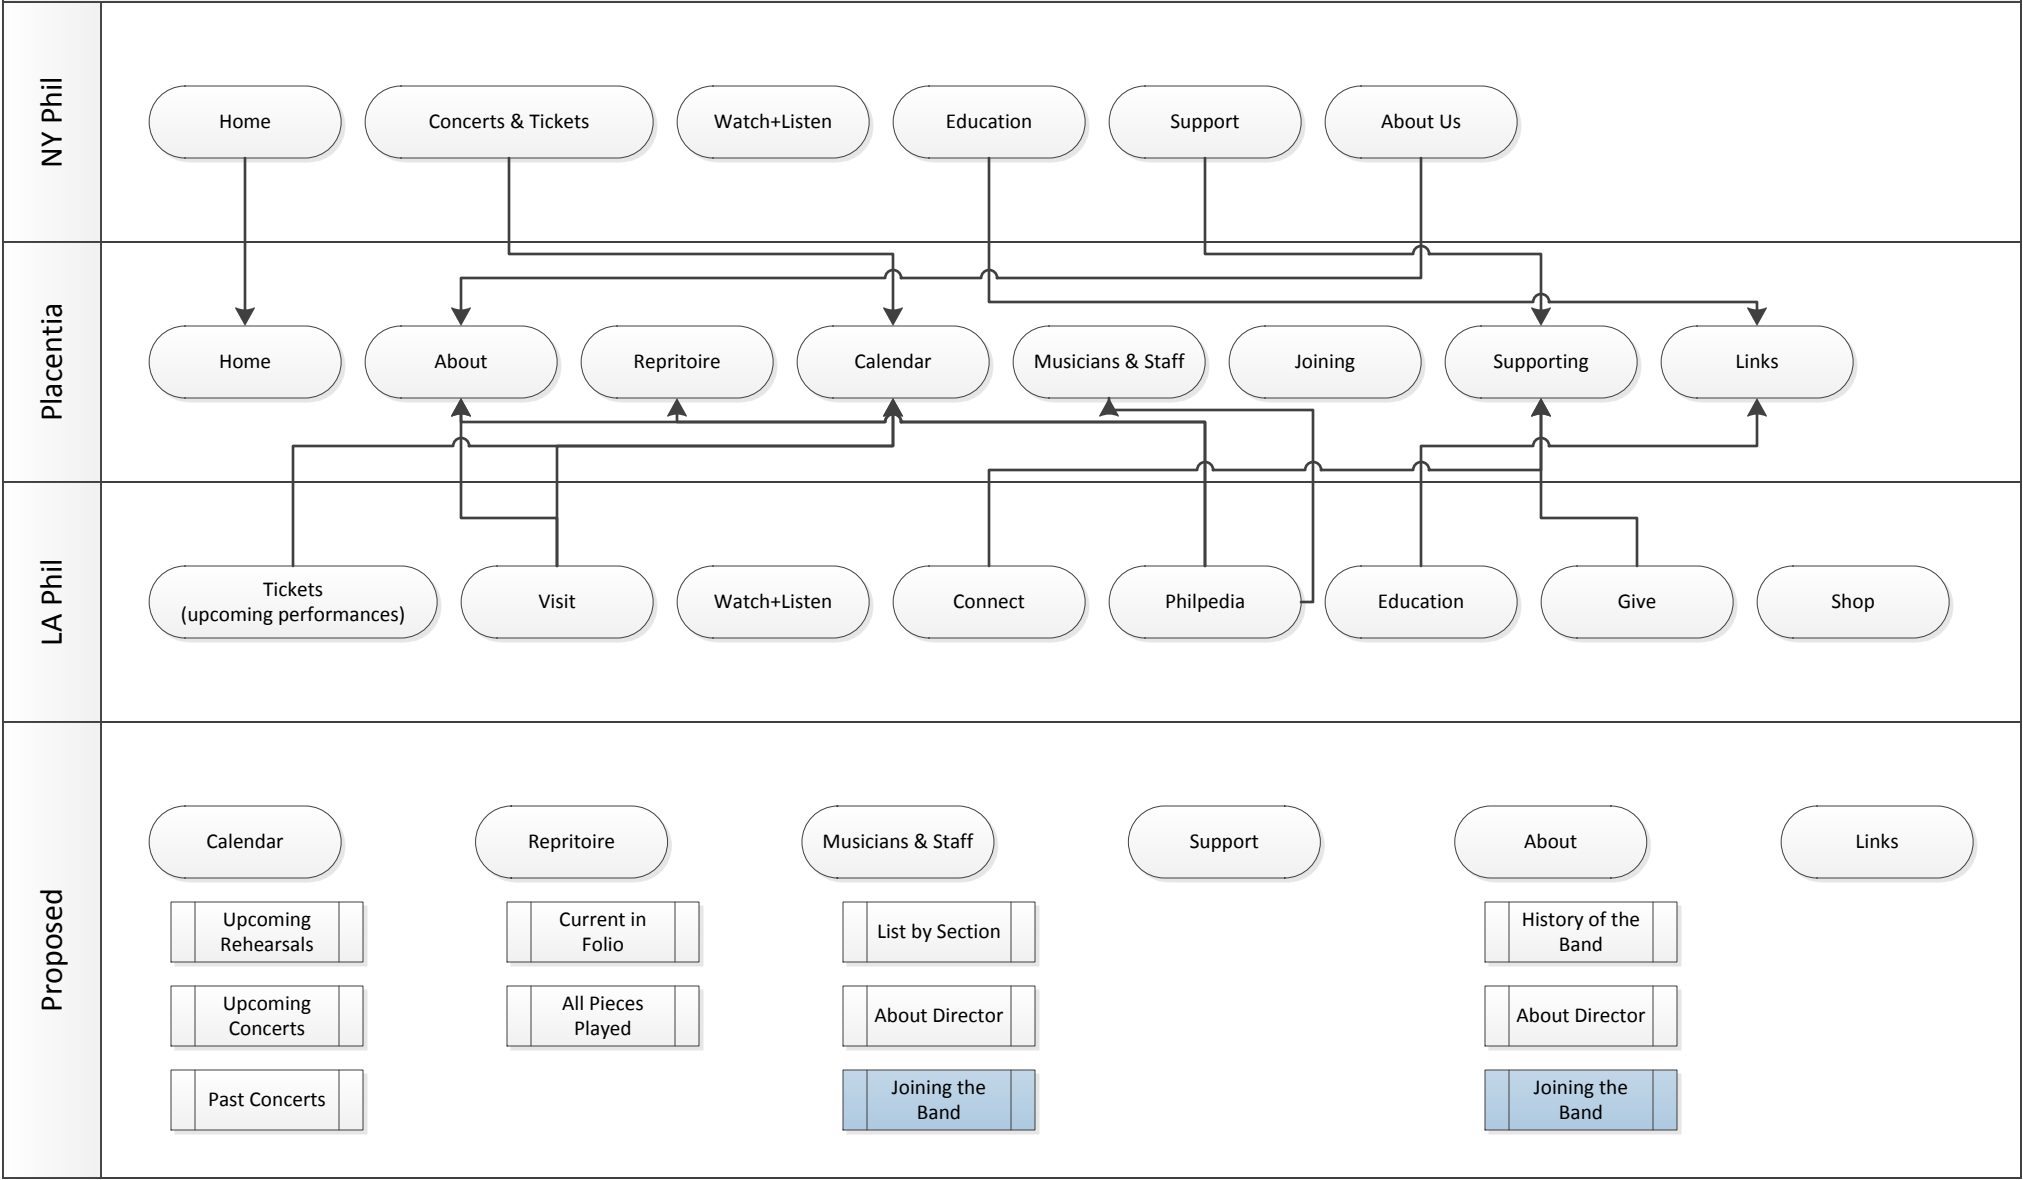

- Modern design aesthetic
- Easily Updated
- Database driven (to make it easily updated!)
- Easy to use/navigate from a smartphone or tablet
- All tables should be sortable and zebra stripped

With a database on the back any authenticated user could

- Add an event
- Change someone's status (primary, instrument, etc)
- Add a piece of music to the library
- Edit what's in the folio on the fly
- Show what was turned in on a certain day
